## MANAGE YOUR DIABETES SAFELY:

- 1 Consult your health professional for assistance in choosing the appropriate Droplet<sup>®</sup> pen needle version and injection technique.
- 2 Follow instructions for use of Droplet<sup>®</sup> pen needle and your injection pen.
- 3 After use insert the external protective cap on the pen needle.
- 4 Discard used pen needles in a sharps container.
- ! Do not re-use or share pen needles. Needles are single-use only.
